Letter No. P. 8/D of 1956.

OFFICE OF THE SURGEON-GENERAL
WITH THE GOVERNMENT OF BOMBAY :
Bombay, 14th May 1956.

From

DR. D. P. SETTNA, F.R.C.S.E.,

The Surgeon-General with the Government of Bombay,
Bombay-1 ;

To

THE SECRETARY TO GOVERNMENT,

Local Self-Government and Public Health Department,
Bombay.

Subject.—Annual Report on Mental Hospitals for the year 1955.

I submit the Annual Report on the Mental Hospitals in the State of Bombay for the year 1955.

GENERAL.

2. During the year 1955, all the Mental Hospitals were overcrowded. The actual population in all the Mental Hospitals in the first week of January 1955 was 4,235 against the sanctioned accommodation of 2,354. During the year, 646 patients were discharged as "cured", and 533 as improved. There were 1,349 cases under observation in the various Mental Hospitals. The total number of criminal insanes confined in Mental Hospitals was 233. The total receipts amounted to Rs. 6,06,314. The gross expenditure on maintaining the Mental Hospitals was Rs. 34,07,721. Facilities for in-door and out-door games were provided to the patients. Facilities for treatment on modern lines such as Insulin Shock Therapy, Electric Convulsive Therapy and Hydrotherapy are given at the majority of the Mental Hospitals.

BUILDINGS.

3. *Major Works.*—The following major works have been started during the year 1955 :—

(1) Construction of new shed for carpentry, tailoring etc. at the Mental Hospital, Dharwar.

(2) Raising compound wall of the Mental Hospital, Baroda.

(3) Additional accommodation for patients at the Central Mental Hospital, Yeravda.

(4) Additional accommodation for patients at the Mental Hospital, Thana.

(5) Expansion of Mental Hospital, Baroda.

(6) Providing sanitary arrangements at the Mental Hospital, Ahmedabad.

(7) Providing facilities in respect of water supply and drainage etc. at the Central Mental Hospital, Yeravda.

4. *Minor Works.*—Minor works costing about Rs. 17,518, were sanctioned at the Mental Hospitals, Dharwar and Ratnagiri, during the year under report. The buildings of the Mental Hospitals are in fairly good state of repairs.

5. *Water Supply.*—The water supply at the Mental Hospital, Baroda, was adequate during the year due to working of the electric motor pump. Adequate water supply is still not available at the Mental Hospital, Dharwar, from the Neerasagar Scheme. Increased water supply at this hospital may be available when the Municipality changes its narrow main pipe to a bigger one. The proposal of installing the electric pump to the garden well at the Mental Hospital, Dharwar, is still under consideration. At the Mental Hospital, Ahmedabad, water is obtained from Municipal pipe lines. It is good and sufficient. The water supply for gardens and lawns and for Agricultural purposes is by an Electric Pump which is not sufficient. Scarcity of water was felt at the Mental Hospital, Ratnagiri, during the summer viz. from March to May due to the limited supply of water from the Municipal Water Works and drying up of the Hospital wells.

6. *Accommodation.*—Over-crowding at all the Mental Hospitals except the Mental Hospital, Baroda, continued throughout the year as can be seen from the following table showing the approved scale of accommodation and the actual population in the first week of January 1955 :—

Mental Hospitals.	Sanctioned accommodation in first week of January 1955.			Actual population in the first week of January 1955.		
	Male.	Female.	Total.	Male.	Female.	Total.
Thana ...	240	150	390	671	526	1,197
Ratnagiri ...	134	42	176	209	68	277
Yeravda ...	804	443.	1,247	1,130	750	1,880
Ahmedabad ...	206	61	267	240	81	321
Dharwar ...	138	61	199	345	120	465
Baroda ...	50	25	75	65	30	95
Total ...	1,572	782	2,354	2,660	1,575	4,235

There were thus 1,881 patients (1,088 males and 793 females) in excess of the sanctioned accommodation. However, in order to

relieve the congestion and over-crowding to some extent at the Mental Hospitals, Government in September 1955 directed that the accommodation at all Mental Hospitals in this State should be extended by the construction of dormitories to accommodate at least 50 patients at each of the Mental Hospitals. With a view to relieve congestion at the Mental Hospital, Ahmedabad, Government have directed that 30 additional patients coming from Broach, Surat, Panchmahals etc. should be sent to the Mental Hospital, Baroda. Accommodation at the Mental Hospital, Baroda, is thus further increased by 30 beds. As the actual number of patients at each of the Mental Hospitals is in excess of the sanctioned accommodation by more than 50, Government also sanctioned the additional staff consisting of 10 attendants, 3 sweepers, 1 cook at each of the 6 mental hospitals.

7. *Employment on Occupations.*—The employment of suitable patients on various occupations such as gardening, weaving, tailoring, carpentry, broom and bidi-making, grinding, cooking, mat-making, ground levelling, sewing, knitting, compound cleaning, basket-making and poultry farm work etc. continued as usual at all Mental Hospitals. In order to provide Occupational Therapy on a wide basis at the Mental Hospitals, Ahmedabad, Ratnagiri, Dharwar and Baroda Government accorded their sanction to provide adequate facilities for Occupational Therapy at these hospitals and for this purpose Government also sanctioned additional staff at the three Mental Hospitals at Ratnagiri, Dharwar and Baroda and the recurring annual contingent expenditure on account of the purchase of the raw materials required for the purpose by these hospitals. The daily average number of patients employed under Occupational Therapy in the various Mental Hospitals during the year 1955 was 1887·9 and the percentage of the same to the daily average works out to be about 42.

8. *Amusements.*—In-door and out-door games such as carom, ping-pong, cards, volley-ball, badminton, ring-tennis etc. were provided for the patients. Some of the patients took part in the sports and some of them enjoyed with interest. Cinema shows, Radio programmes and Gramophone records were also arranged for the entertainment of the patients and they were greatly appreciated by them. Books, News-papers, Magazines, Periodicals were supplied to literate patients. On important festival days sweets and special dishes were provided to the patients. A sum of Rs. 3,934 was spent on amusements and recreation of patients during the year 1955. Government sanctioned a recurring expenditure of Rs. 1,000 p. a. and non-recurring expenditure of Rs. 6,000 for all 6 Government Mental Hospitals at Yeravda, Thana, Ahmedabad, Ratnagiri, Dharwar and Baroda for the purchase of Books, Journals and Periodicals for the recreation of the mental patients.

9. *Visitors.*—The official visitors at all the Mental Hospitals were regular in their attendance and nothing special was reported by any of them.

10. *Parole.*—The system of sending patients on parole has to some extent relieved the congestion at the Mental Hospitals. During the year under report, 766 patients (486 males +280 females) took advantage of it as compared with 930 patients in previous year.

11. *Special Accommodation.*—The scheme for the provision of special accommodation and facilities to patients who were prepared to pay for such additional amenities introduced at the Central Mental Hospital, Yeravda, continued to be appreciated by the public.

12. *White House.*—White House, a bungalow about 2 miles away from the main Mental Hospital, Yeravda, was rented for the patients and was also utilised to keep better class of patients.

13. *Appointment of a Psychiatric Social Worker.*—During the year under report, Government sanctioned the creation of the post of Psychiatric Social Worker at the Mental Hospital, Baroda. In order to provide similar facilities in the rest of the 2 mental hospitals at Ratnagiri and Dharwar the proposal for the creation of the post of Psychiatric Social Workers at these hospitals is under consideration of Government. Such posts already exist at the Central Mental Hospital, Yeravda, the Mental Hospital, Ahmedabad, and the Mental Hospital, Thana.

14. *Acknowledgments.*—The Department expresses its thanks to all bodies and individuals who have extended their generosity towards providing additional comforts for patients in the various mental hospitals.

Statement No. I.

15. *Population.*—The following table shows the admissions, population and the daily average strength of patients in the Mental Hospitals during the years 1954 and 1955 :—

	1954.			1955.		
	Male.	Female.	Total.	Male.	Female.	Total.
Remaining on 1st January ...	2,526	1,510	4,036	2,660	1,575	4,235
Total admissions during the year.	1,706	927	2,633	1,857	942	2,799
Total population	4,232	2,437	6,669	4,517	2,517	7,034
Daily average strength ...	2,602·8	1,532·9	4,135·7	2,792·91	1,634·55	4,427·46

16. *Discharges and Cures.*—During the year under report, 646 patients were discharged as "Cured", 533 as "Improved", 136 as "Not improved" and 956 as "Otherwise" (which includes cases discharged on parole). The ratio of cured to daily average strength was 14·5 as against 14·1 during 1954.

17. *Sickness and Mortality.*—The daily average number of sick treated in Mental Hospitals in 1955 was 380·10 as against 346·1 during the previous year. The percentage of sickness to the daily average strength was 8·6 as against 8·4 in 1954. There were no cases of any epidemic diseases in the Mental Hospitals during the year under report.

18. During the year 1955, the total number of deaths at the Mental Hospitals was 238 as against 279 in 1954. The percentage of deaths to the daily average strength was 5·3 as against 6·7 in 1954. The following table shows the percentage of deaths to the daily average strength at each of the Mental Hospitals during the year 1955 and the previous year :—

Mental Hospitals.	1954.			1955.		
	Male.	Female.	Total.	Male.	Female.	Total.
Thana	11·58	10·26	10·88	7·9	6·2	7·1
Ratnagiri	5·2	9·8	6·2	7·64	11·1	7·9
Yeravda	5·65	4·73	5·30	3·84	4·11	3·94
Dharwar	4·4	3·5	4·2	3·5	2·3	3·2
Ahmedabad	3·5	9·1	4·9	5·9	8·9	6·7
Baroda	3·1	6·8	4·3	2·7	5·8	3·7

The chief causes of deaths among the inmates of the Mental Hospitals were T B. Lungs 30, diseases of the Nervous system 12, deficiency or disorder of Nutrition or Metabolism 42, General debility and Anemia 37, and diarrhœa and Dysentery 11.

Statement No. II.

19. In the year 1955, 1,349 cases were under observation at the various Mental Hospitals as compared with 1,087 in 1954. Out of these 1,349 cases, 1,166 were certified and admitted and 117 were released as uncertifiable as compared with 869 and 96 respectively in the previous year.

Statement No. III.

20. The total number of criminal insanes confined in the Mental Hospitals was 233 (150 males and 83 females) as compared with 195 (141 males and 54 females) in the previous year. The daily average strength was 137·08 in 1955 as compared with 118·29 at the previous year. Of these 105 were admitted under section 466 of the Criminal Procedure Code, 6 under section 471 (*ibid*) and 12 under section 30 (*1*) of the Prisoners' Act, 1900.

Statement No. IV.

21. Of the total number of 2,799 patients admitted for treatment 2,262 were Hindus, 330 Mohomedans, 167 Christians and 40 belonging to other castes.

Statement No. V.

22. *Age of insanes admitted.*—According to the age groups, the patients admitted for treatment in the Mental Hospitals during the year under report was as shown below :—

Under 20 years	299
Between 21 and 40 years	1,908
Between 41 and 60 years	510
Upwards of 60 years	82
Total ...	2,799

Statement No. VI.

23. *Forms of Mental Disorders.*—The principal forms of Mental disorders treated during the year under report were :—

Mania	752
Maniac Depressive Insanity	857
Melancholia	252
Schizophremia (including Dementia Præcox) ...	2,921
Neurosis and Psychoneurosis	54
Mental Deficiency	904
Epilepsy and epileptic insanity	382

Statement No. VII.

24. Probable causes of insanity among patients :—

1.	Mental stress	1,041
2.	Toxins	65
3.	Hereditary predisposition	175
4.	Bodily illness	177
5.	Old-age	61
6.	Epilepsy	242
7.	Previous attacks	243
8.	Syphilis	90

Statement No. VIII.

25. *Cash Accounts Receipts.*—The receipts from paying patients during the year under report amounted to Rs. 5,17,8 1 as against Rs. 5,34,436 in 1954. The value of stores received from Manufacturing Department less the cost of raw materials was Rs. 56,708 and miscellaneous receipts amounted to Rs. 31,805. The total receipts under three heads amounted to Rs. 6,06,3!4 as against Rs. 6,54,428 in the previous year.

26. *Expenditure.*—The gross expenditure on maintaining the Mental Hospitals during the year under report amounted to Rs. 34,07,721 as against Rs. 34,08,896 in the previous year. Deducting the receipts from the actual expenditure, the net cost to Government during 1955 was Rs. 21,95,093 as against Rs. 21,00,040 in 1954.

27. The following table shows the average cost per patient per annum in the Mental Hospitals during the year under report and the previous year :—

	Mental Hospitals.	1954.	1955.
		Rs.	Rs.
1.	Thana	872	633
2.	Ratnagiri	600	588
3.	Yeravda	871	875
4.	Dharwar	560	659
5.	Ahmedabad	672	699
6.	Baroda	969	977

The amount spent on original works (Major and Minor) at the Mental Hospitals are excluded from the expenditure in calculating the cost per patient per annum.

28. A summarised report of the Central Mental Hospital, Yeravda, is attached as an Appendix X to this report.

D. P. SETHNA,
Surgeon-General with the Government of Bombay.

ANNUAL REPORT OF CENTRAL MENTAL HOSPITAL, YERAVDA, POONA, FOR THE YEAR 1955.

Administration.—Shri I. K. Mujawar, M.B.B.S., B.M.S., Class I, continued to hold the post for Superintendent at the Central Mental Hospital, Yeravda, Poona 6, throughout the period under report.

Accommodation.—On the 1st January 1955, there were 1,880 patients against 1,809 patients on the same date of the previous year.

The daily average number in residence was 1,951·77 as against 1,870·21 for the previous year. The number in residence on the 31st December 1955 was 1,982.

The authorised total accommodation at the Central Mental Hospital, Yeravda, Poona 6, is for 1,297 patients as under :—

	Male.	Female.	Total.
1. Europeans ...	141	74	215
2. Indian Section I ...	124	127	251
3. Indian Section II ...	406	178	584
4. Acute Section ...	34	11	45
5. Infirmary ...	79	53	132
6. White House ...	20	...	20
7. Increased (accommodation).	25	25	50
Total ...	829	468	1,297

Due to the abnormal increase in the population, it was not possible to accommodate some of the patients comfortably during the year under report. The existing blocks were always overcrowded, as on an average 654·77 patients were over and above the sanctioned strength of accommodation.

Admissions.—Admissions during the year under report were 683 male and 384 female (total 1,067), excluding 3 patients admitted after parole. The total admission is 1,070 as against 1,040 for the previous year.

The total number of patients treated during the year under report was 2,950 as against 2,849 of the previous year.

Discharges.—The total number of discharges during the year under report was 891. Out of this 187 were discharged "as recovered" under section 31 by the Visitors' Committee, 704 as improved or otherwise under section 33A.

Deaths.—There were 77 deaths (46 males and 31 females) during the year under report. The rate of death worked out for the year 1955, on the basis of the average number of daily residence was 3·95 per cent. as against 5·30 of the previous year i.e. it was appreciably decreased.

Health of Patients.—The general health of the patients was satisfactory. There was no epidemic during the year 1955.

Occupation Therapy.—The daily number of patients, who were occupied in different spheres such as Hospital Garden, Kitchen, Ward Work, Weaving and Tailoring Departments and Carpenter's Workshop during the year under report was 487 males and 283 female. Some suitable female patients were encouraged to do knitting and needle work.

Special Therapies.—The special therapies like Insulin, Electric convulsive therapy, Leucotomy operations, Carbon-dioxide inhalation and Psychological treatment were given to patients and the number of patients treated with different therapies is as under: —

		Male.	Female.	Total.
1.	Insulin ...	82	58	140
2.	Electric convulsive therapy .	332	152	484
3.	Leucotomy operations ...	34	19	53
4.	Carbon dioxide inhalation treatment.	5	...	5

5. Psychological treatment was given to suitable cases which included Narco-analysis and Narco-therapy individual and group Psychotherapy.

A statement showing the number of recovery of otherwise in the different therapies is enclosed.

Amusements.—There are Recreation Clubs in the Male and Female Sections for the patients. Patients collect in the recreation rooms and read newspapers and periodicals and magazines. They listen to radio programmes There are facilities for playing Billiards, Table tennis and other indoor games. Twice a week, on Tuesdays and Thursdays clubs are held in the evening. Patients have social gatherings, where more than hundred patients take part in the Club. Besides indoor games, some patients took part in outdoor games such as Cricket and Volley Ball etc.

The annual General Sports of Patients and the staff of the Hospital for the year 1955, were held on 8th January 1955, under the Presidentship of Sardar Dastur Harmazdiar Dastur Nosherwan High President of Parsees, Poona. We had a good fortune of having company of Dr. B. B. Dikshit, M.B., M.R.C.P.E., D P.H., Ph.D., F.H I., F.R.S., Surgeon General with the Government of Bombay, Bombay. A number of patients actively took part in the sports activities like Wheel Barrow Race, Thread and Needle Race, Sack Race, Three legged Race, Relay Race, etc., etc. Sweets and fruits were distributed to the patients on the functions.

Many well-known guests from Poona were present on the day.

On important festival days of various communities, sweets and special dishes were served to the patients.

The number of patients that took part in games etc. is as under :—

1. Cinema shows are arranged in the Hospital itself and the total number of patients attended the shows during the year 1955 is 24,025 males and 4,183 females.
2. About 40 per cent. of the patients took part in the games and listening to radios.
3. The number of patients that went out in Bus drives during the year 1955 is 240 males and 306 females.

A total expenditure of Rs. 901 was incurred on amusements from the discretionery grants of the Hospital during the year 1955.

Visitors.—The attendance of the Visitors was satisfactory. The Social Workers visited the Hospital once a week on Tuesdays.

The appointment of Psychiatric Social Worker has been continued. The work of investigation of the Social histories of the patients and rehabilitation of some improved patients of the Hospital, has been carried out satisfactorily.

Acknowledgment.—The Hospital is indebted to the Management of the Bombay Chronicle Daily and Sunday Editions for the supply of copies of their issues, to the reading room of Hospital, free of charge.

Acknowledgment is also due to Shri A. C. Patel and Shri P. S. Gazdar, Well-known Parsee Gentlemen of Poona and Bombay, respectively for organising Annual Sports and arranging special gatherings every year and distributing sweets to the patients.

White House.—White House, a bungalow about 2 miles from the main Hospital, is continued to be rented and has been utilised to keep suitable class and ordinary patients.

The Republic Day, the World Health Organisation Day and the B. C. G. Vaccination Day were observed by holding meetings of the staff and patients of the Hospital.
